

La Serra Empirica

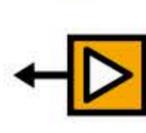

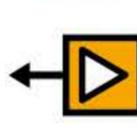

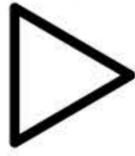

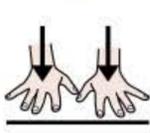

EMPIRICA

La Serra Empirica è il nome della terrazza delle Industrie Fluviali.

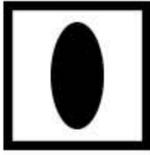

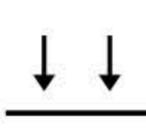

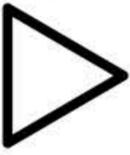

EMPIRICA

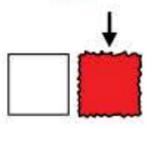

INDUSTRIE FLUVIALI

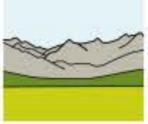

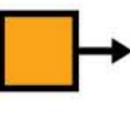

La terrazza è un giardino che ha 16 piante rampicanti e rare.

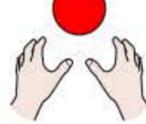

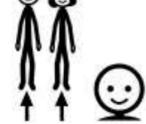

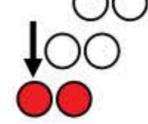

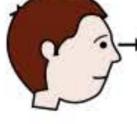

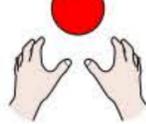

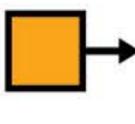

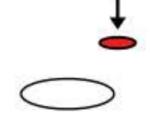

16

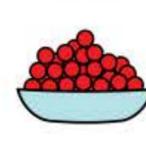

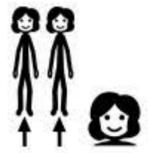

Nella Serra Empirica, oltre a poter vedere queste piante, si può anche conoscere le esplorazioni che hanno portato in Europa molte piante.

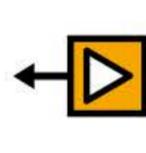

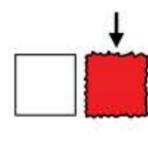

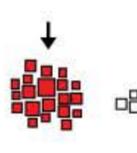

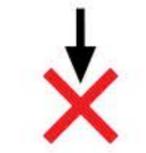

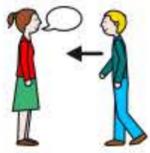

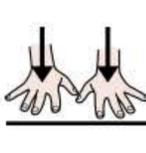

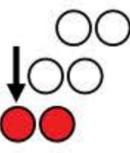

EMPIRICA,

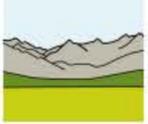

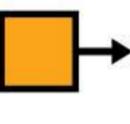

Queste piante sono arrivate dai posti più particolari della terra. Queste piante sono arrivate dai posti più particolari della terra.

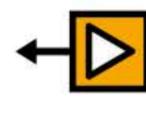

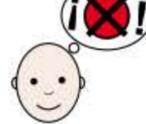

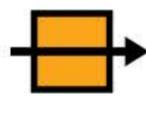

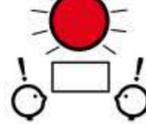

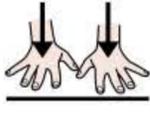

Queste piante sono arrivate dai posti più particolari della terra.

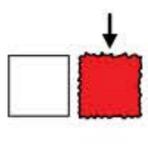

Nella Serra Empirica sono anche riscritti alcuni momenti importanti dei ritrovamenti delle piante rare.

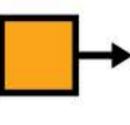

EMPIRICA

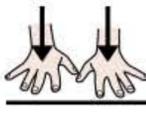

piante rare.

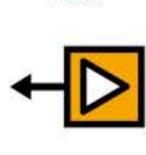

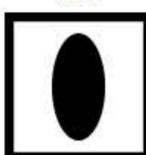

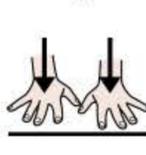

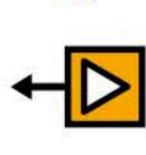

Ad esempio sono riscritti:

ESEMPIO

il ritrovamento del Tecomanthe che è una pianta tropicale delle Indie Orientali Olandesi

Indie Orientali Olandesi

le piante usate per dei rituali dell'antico popolo degli Atzechi.
